CEDARVILLE UNIVERSITY VEHICLE REGULATIONS (CUVR)

Preface:

Cedarville University (CU) has the right and ability to control traffic and parking on its campus and controlled properties, as granted by the Ohio Revised Code (ORC). The Cedarville University Department of Campus Security has been authorized to administer and enforce the Cedarville University Vehicle Regulations (herein referred to as CUVR), which governs all parking and traffic on the campus and controlled properties.

The CUVR applies to all vehicles operated on the campus and all properties under its control for educational, residential or support purposes.

Any use of a vehicle as stipulated by the Ohio Revised Code (ORC), motorized or not, which includes but is not limited to electric or gas-powered scooters, bicycles, rollerblades, skates or skateboards on any university property is a privilege granted by the university and is not the right of any employee, student or visitor. It is the requirement of the university that all employees, students and visitors comply with these vehicle regulations for the sake of safety and the consideration of others. Failure to comply with the CUVR may result in the limitation or revocation of this privilege at the discretion of the university.

The following parking and driving regulations have been adopted by the university to better facilitate both vehicle and pedestrian movement, maximize parking and enhance safety. All parking and driving regulations are strictly enforced.

The Cedarville University Vehicle Regulations (CUVR) are subject to revision or change *without prior notice*.
