

Common Data Set J: Degrees Conferred

Fall 2024

Degrees Conferred between July 1, 2023, and June 30, 2024

For each of the following discipline areas, provide the percentage of diplomas, certificates, associate, and Bachelor's degrees awarded.

- To determine the percentage, use majors, not headcount (e.g., students with one degree but a double major will be represented twice). Calculate the percentage from the institution's IPEDS Completions by using the sum of first and second majors for each CIP code as the numerator and the sum of the Grand Total by first majors and the Grand Total by second major as the denominator. If you prefer, you can compute the percentages using first majors only.
