

Common Data Set B: Enrollment and Persistence

Fall 2024

Institutional Enrollment – Men & Women

Provide numbers of students for each of the following categories as of the institution's official fall reporting date or as of October 15, 2024.

- Note: Report students formerly designed as "first professional" in the graduate cells.
- For information on reporting study abroad students, please see NCES.gov.
- If your institution collects and reports non-binary gender data, please use the "another gender" category.
- In cases where gender information is not provided, please distribute across the two-binary categories.
