\* Ohio residents can take College Credit Plus (CCP)-eligible courses for FREE!

The Accelerated PharmD Pathway assumes that students will meet undergraduate proficiency requirements for English and math and complete two years of the same high school foreign language.

## Early Assurance to the Doctor of Pharmacy Program

Students may be considered for early assurance to the PharmD program and for program scholarships as early as their senior year in high school. Consideration for the early assurance program is based on academic achievements. Students who do not qualify for the early assurance program may pursue the bachelor of science in pharmaceutical science and apply to the PharmD program later in their academic journey. For information about careers in pharmacy or early assurance, you may contact Hope Strayer at [hopestrayer@cedarville.edu](mailto:hopestrayer@cedarville.edu).

For information about the accelerated PharmD pathway, please contact one of Cedarville's Dual Enrollment Advisors at **937-766-3333** or [dualenrollment@cedarville.edu](mailto:dualenrollment@cedarville.edu).
