### Waitlisting

- If a class for which you wish to register is closed, the on-line registration process allows you to request to be placed on a waitlist for the course.
- If space becomes available in a course with a waitlist the Office of the Registrar will contact waitlisted students and assist them in adding the course to their schedules.
- Adding your name to a waitlist is not a guarantee that you will get that course or section so it may be advisable to register for an alternative course while you wait to see if a space becomes available.
